WELCOME BACK

Welcome back to a new, exciting school year at Schafer Gymnastics. On the heels of an amazing Olympic year we have a lot of new things in store for your child's learning experience here at Schafer's this year.

This year we will be providing a floor manager to help with the specific progress of your children. Look for Allison, Jeanette and Meredith!

Students will receive skill certificates for the boys and girls classes broken down by lesson theme and level!

We will be offering day camps on school holidays. Inquire in the office.

Thank you for joining us for another fun filled year!
